

## Engineering Graduate Society

### Travel Award Application Form

Use this form to apply for a McMaster Engineering Graduate Society (EGS) Travel Award, value depending on the number and quality of the applications. This form is for an individual who has travelled for purposes that benefit them as a researcher. Please verify that this is the most recent version of the Travel Award Application Form, which can be found on the [EGS website \(http://www.egs.mcmaster.ca\)](http://www.egs.mcmaster.ca). In addition to your completed application form, please include the submitted abstract (if applicable), a letter of confirmation from the event organizer(s), and proof of your enrolment and status to complete your application and confirm your eligibility. If you are not submitting an abstract, please provide a comparable 250 word document which explains the relevance and/or importance of the event to you as a researcher. Send your completed application to [egs@mcmaster.ca](mailto:egs@mcmaster.ca).

Applications are due at the end of the first full week of the last month of the academic term the travel period falls in (e.g. first full week of April for travel between January and April). You may apply for the EGS Travel Award for only one event per application cycle (September–August). The applications are evaluated based on the budgeted cost of travel, the reason for travel and its relevance to your research, and the completeness and quality of the application.
